Yong YU

Associate Dean
Professor/Doctoral supervisor
Distinguished Young Scholar of Shaanxi Province
Prestigious One Hundred Talent Professorship of Shaanxi Province
Cybersecurity and Information Technology Innovation Talent Program

IEEE Fellow (IEEE Computer Society)
World Top 2% Scientists (2023-2025)
Elsevier Most Cited Chinese Researcher (2024)

Address:
School of Computer Science, Shaanxi Normal University,
No. 620 West Chang'an Street, Xi'an 710119, China.
Phone: (+86) 18629035735
E-mail: yuyong@snnu.edu.cn
[Google Scholar] [Homepage] [DBLP]

EDUCATION & WORK EXPERIENCES

Full Professor
Shaanxi Normal University, China — Dec 2016 – present

Associate Professor
University of Electronic Science and Technology of China, China — Aug 2010 – Dec 2016

Vice Chancellor's Research Fellow
University of Wollongong, Australia — July 2012 – July 2015

Lecturer
University of Electronic Science and Technology of China, China — April 2008 – July 2010

Doctor of Philosophy, Cryptography
Xidian University, China — Mar 2005 – Mar 2008

Master of Science, Applied Mathematics
Xi'an University of Technology, China — Sep 2002 – Mar 2005

Bachelor of Science, Information and Computing Science
Xi'an University of Technology, China — Sep 1998 – June 2002

RESEARCH INTERESTS

- Cybersecurity, IOT security, Big data security. Information forensics
- Decentralized computing, Blockchain
- Cloud storage security, Cloud data auditing
- Digital signature, Applied cryptography

ACADEMIC ACTIVITIES & MEMBERSHIPS

- Associate Editor of IEEE Transactions on Dependable and Secure Computing — 2025 - now
- Associate Editor of IEEE Internet of Things Journal — 2025 - now
- Associate Editor of Expert Systems With Applications — 2022 - now
- Associate Editor of Computer Standards & Interfaces — 2019 - 2022

- Associate Editor of Soft Computing 2016 - 2021
- Associate Editor of Chinese Journal of Network and Information Security 2019 - now
- Guest Editor of Digital Communications & Networks, Special Issue on Intelligent Blockchain 2023
- Guest Editor of IEEE Wireless Communications, Special Issue on Advances of Security and Privacy Techniques in Emerging Wireless Networks 2020
- Guest Editor of International Journal of Distributed Sensor Networks, Special Collection on Security and Privacy in Wireless Sensor Networks for IoT 2019
- Guest Editor of Journal of Universal Computer Science, Special Issue on Advances of Provable Security Techniques 2019
- Guest Editor of International Journal of Foundations of Computer Science, Special Issue on Cryptography and Provable Security 2019
- Guest Editor of Computer Standards & Interfaces, Special issue on Cloud computing security and privacy: Standards and regulations 2017
- Guest Editor of Concurrency and Computation: Practice and Experience, Special issue on Recent advances in security and privacy in large-scale networks 2016
- Guest Editor of Journal of Universal Computer Science, Special Issue on Recent Advances in Security and Privacy in Big Data 2015
- Program Chair of the 11th International Conference on Provable Security Oct 2017
- Organization Chair of 9th International Symposium on Cyberspace Safety and Security Oct 2017
- Program Chair of 1st International Conference on Cyber Security Oct 2015
- Reviewers for many prestigious journals, such as IEEE TC, IEEE TDSC, IEEE TIFS, IEEE Access, IEEE TPDS, IEEE JSAC, Information Sciences, FGCS, JPDS etc. 2008 - now
- Program Committee Members of International Conferences, such as NSS 2014, TrustCom 2015, ProvSec 2012, MobileEdgeCom 2019, ICCT 2019, ISPEC 2019 etc. 2012 - now

ACADEMIC Entitlement

- IEEE Fellow 2026 - now
- CCF Senior Member 2021 - now
- Blockchain Specialized Committee Member of Chinese Association for Cryptologic Research 2020 - now
- Blockchain Specialized Committee Member of the Alliance of Emerging Engineering Education for Information Technologies 2020 - now
- Blockchain Specialized Committee of National University Artificial Intelligence and Big Data Innovation Alliance 2018 - now
- Youth Committee Member of Chinese Association for Cryptologic Research 2017 - now
- Protocol Specialized Committee Member of Chinese Association for Cryptologic Research 2017 - now
- Member of the Education and Science Popularization Committee of Chinese Association for Cryptologic Research 2019 - now
- Big Data Security and Privacy Preserving Committee Member of Chinese Information Processing Society of China 2018 - now
- Cryptographic Application Specialized Committee of the Chinese Association for Cryptologic Research 2017 - now
- Fellow of Chinese Association for Cryptologic Research 2016 - now

HONORS AND AWARDS

- Academic Innovation Award of National University Artificial Intelligence and Big Data Innovation Alliance 2021
- Best Paper Award of ACISP 2021 2021
- Second Prize of Cryptographic Innovation Award of Chinese Association for Cryptologic Research 2020
- Second Prize of Ministry of Education Natural Science 2020
- Outstanding Supervisor Award of National Cryptography Competition of China 2019
- Excellent Tutoring Team of Shaanxi Normal University 2019
- Third Prize of Shaanxi Provincial Scientific and Technological Progress Award 2018
- Shaanxi Provincial Prestigious one hundred talent Professorship 2016
- Best Paper Award of ISPEC 2014 2014
- Best Paper Award of SecureComm2016 2016
- Second Prize of the 8th Teaching Achievement Award of UESTC 2012

SELECTED GRANTS

- **Yong Yu** et al. Research on Key Technologies of Trusted Management of Large-scale Storage and Computation Resources in Multi-RAT Coordination. *Key Project of the National Natural Science Foundation of China.* 2025.01-2028.12
- **Yong Yu** et al. Research on Key Technologies of Lifecycle Data Security Protection Based on Blockchain. *Key Project of the National Natural Science Foundation of China.* 2024.01 - 2027.12
- **Yong Yu** et al. Research on Regulation Techniques towards Transaction Lifecycle in Blockchains. *General Project of of the National Natural Science Foundation of China.* 2023.01 - 2026.12
- **Yong Yu** et al. Research on Accountable Signatures for Tracing Malicious Users in Blockchain. *International Collaborative Program of the National Natural Science Foundation of China.* 2023.07 - 2025.06
- **Yong Yu**. Research on Functional Cryptographic Protocols for Blockchain. *The Provincial Science Fund for Distinguished Young Scholars* 2022.01 - 2024.12
- **Yong Yu** et al. Diversified and Heterogeneous Data Fusion Secure Sharing, Exchange and Intelligent Collaborative Computing. *Key Project of the National Natural Science Foundation of China.* 2020.01 - 2023.12
- **Yong Yu** et al. Research on Outsourced Data Integrity Checking Mechanism. *General Project of of the National Natural Science Foundation of China.* 2019.01 - 2022.12
- **Yong Yu** et al. Research on Secure Publish/Subscribe System. *International Collaborative Program of the National Natural Science Foundation of China.* 2018.01 - 2018.12
- **Yong Yu** et al. Research on Novel Data Protection Cryptographic Algorithms. *National Key R&D Program of China "Cyber Space Security" Key Sub-Project* 2017.07 - 2021.06
- **Yong Yu** et al. Research on Secure Cloud Data based on Cryptography. *National Cryptography Development Fund during the 13-th Five-year Plan Period* 2017.01 - 2018.12
- **Yong Yu** et al. Research on Key Techniques of Cloud Data Security. *Key R&D Program Industry Chain Project in Shaanxi Province.* 2020.01 - 2022.12
- **Yong Yu** et al. Research on Key Techniques of Outsourced Data Storage and Verifiable Update. *Project of State Key Laboratory of Cryptography Science and Technology.* 2019.01 - 2020.12
- **Yong Yu** et al. Research on Secure Outsourced Computing. *Start-up Funds of Shaanxi Hundred Talented Plan Project.* 2016.12 - 2021.12

- **Yong Yu** et al. Research on Cloud Data Integrity Auditing and Loss Compensation Mechanism. *Key Project of the Fundamental Research Funds for the Central Universities.* 2017.01 - 2019.12
- **Yong Yu** et al. Research on Privacy in Blockchain. *The 30th Research Institute project of China Electronics Technology Corporation.* 2017.01 - 2017.12
- **Yong Yu** et al. Research on Novel Cryptographic Techniques for Secure Cloud Data Storage. *VC Research Fellowship in University of Wollongong.* 2012.07 - 2015.07
- **Yong Yu** et al. Research on Authorization in Digital Signature Algorithms. *Youth Fund of the National Natural Science Foundation of China.* 2011.01 - 2013.12
- **Yong Yu** et al. Provably Secure Constructions for Cryptographic Hash Functions and their Applications. *International Collaborative Program of the National Natural Science Foundation of China.* 2012.01 - 2012.12
- **Yong Yu** et al. New Design of Authorized Digital Signature Scheme. *Doctoral Foundation project of ministry of Education.* 2011.01 - 2013.12

SELECTED PUBLICATIONS

Paper Summary published/accepted more than 200 papers, including ten ESI Highly cited papers and ESI hot papers. The research outputs have received over 7,000 citations and the h-index is 46 (Dec 2025). Top citation on a single paper is 546.
